**Our Stewardship Policy**

Contributions for which official receipts are issued are fully under the control of Greater Europe Mission and, where appropriate, may be reported for income tax purposes. Each gift designated toward an approved program or project, will be used for that program or project unless the program or project cannot be carried out for reasons beyond the control of the Mission. The donor hereby agrees that when any given need or project has been met, or when a program or project cannot be carried out, gifts designated for such purposes will be used where most needed. The Mission strives for financial integrity and fully meets the standards of the Canadian Council of Christian Charities and Missio Nexus. Our financial statement is audited annually and is available upon request.
